

Blue Chemix® CERTIFICATION

The Chemix Blue® certification programme is proud to grant the **Green Level** certificate to FM DENIM CO LTD based on ID report FMCHX052025 FM Denim for the organisation with chemical mitigation achievement.

Rexizon C.E. Ltd declares to have audited the site(s), and/or inspected site(s) of the above company, for chemical footprinting relating eleven years of progress in 2024.

A life cycle assessment from “cradle-to-grave” in accordance with ISO 14044 and ISO 14046;2014 guidelines, and CFP recommendations for dry content chemicals were addressed using a set of reference materials representative of the most recent and geographical relevant data available and published from respected technical sources.

This certificate is in force until further notice, provided that the above-mentioned company continues meeting the conditions as laid in the company contract conditions with Rexizon C.E. Ltd.

Based on the annual inspections that Rexizon C.E. performs, this certificate is updated and kept into force.
